## Jesus Prays for his Friends

Before Jesus left his friends and went to be with God in heaven, he said a long prayer to God. He looked up to heaven and said, "God, it's time for me to go. Please take good care of my friends here on earth."

His friends' hearts were full of love for Jesus, and they got down on their knees and prayed silently as Jesus prayed out loud.

"God, these are my dear friends that you gave to me. And you love them just like I love them, because they belong to you, too."

"God, help them to always be friends, sharing their hearts and their love, just like you and I share everything together."

Jesus' words were so beautiful. His friends felt the love Jesus was talking about as they prayed together.
