Rest in God

Jesus had brand new things to teach the people about God. Most of the people loved to hear Jesus' teach these new things!

But some people thought they already knew everything about God, and they didn't like the new things Jesus was teaching. It was like a game where they wanted everyone to follow their rules so they would always win.

But Jesus changed the rules. He said to the people, "Come and learn about God from me. Come if you are tired. Come if you are sad. Come if your life is very hard. I am kind and loving. My rules are easy to follow. You will have rest in God."

The people were so happy to hear Jesus' new way of understanding God.
