

## Draw & Color

Color in the ship, then draw sea creatures all around it!

Matthew 14:22-33

## Walking on Water

While Jesus was off praying, his friends got into a boat and went out on the sea. A strong wind tossed the boat to and fro on the waves all night long. Whoosh! Splash!

Early in the morning, Andrew looked toward the shore of the sea. "Look!" he cried. "It's Jesus! He's walking on the water towards us!"

Philip said, "Impossible! It must be a ghost!"

All of Jesus' friends shook with fear. But Jesus said, "Don't be afraid. It's me, Jesus!"

Jesus finished walking across the sea one squishy, watery step at a time. He got into the boat and right away, the wind and waves stopped.

His disciples were so surprised they couldn't speak. Who was this Jesus that he could do these incredible things? He must be someone very special!

### REMEMBER THIS

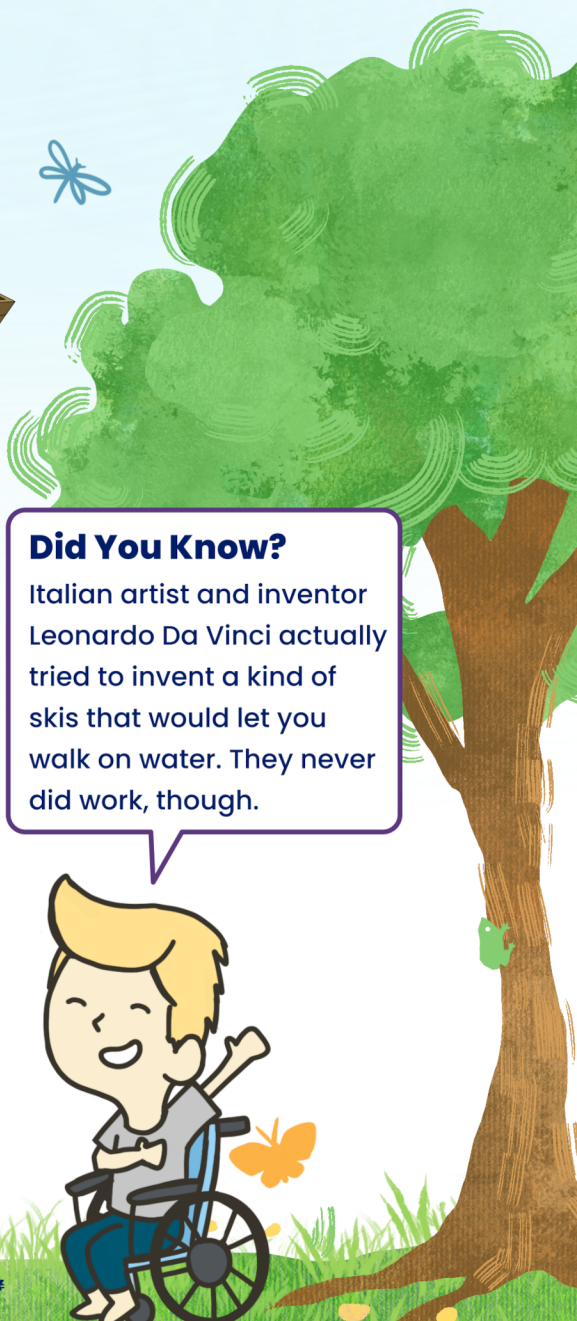

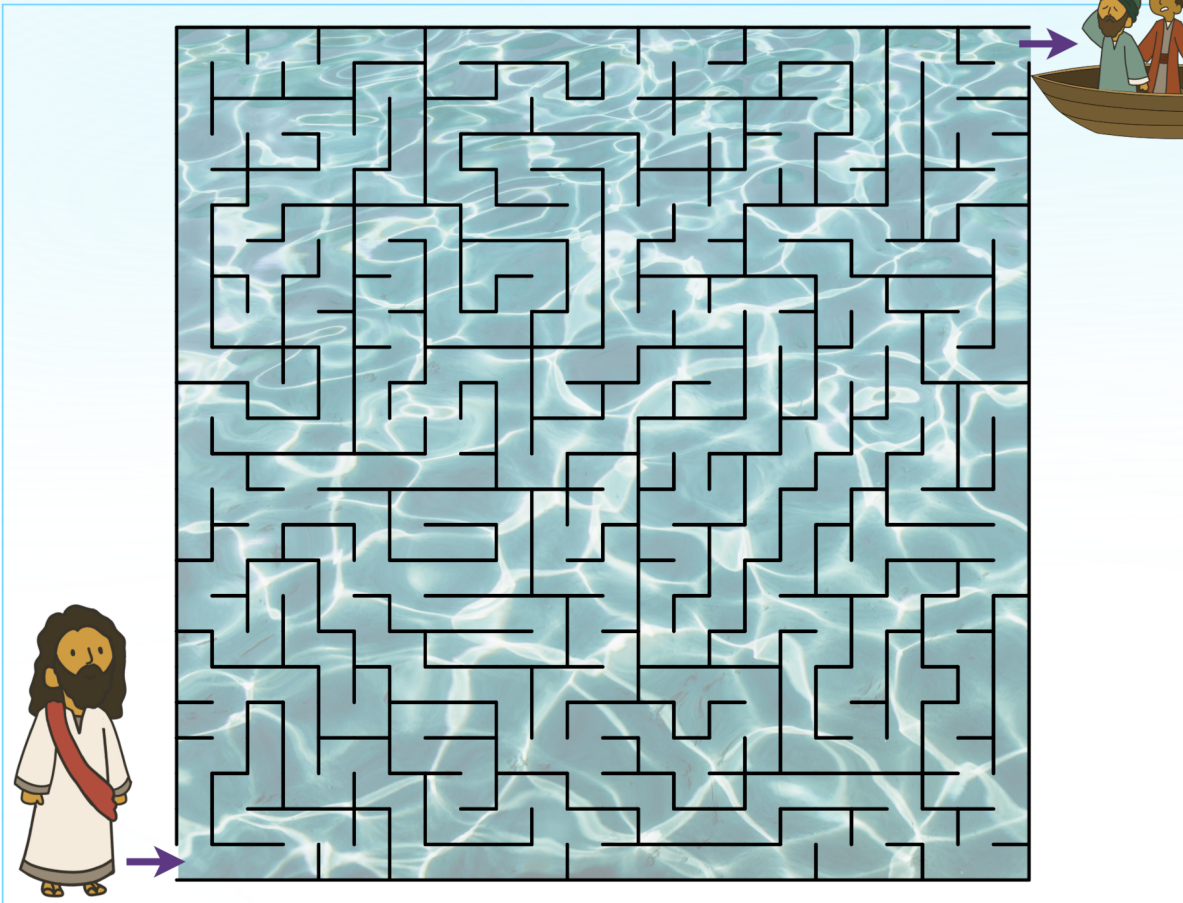

**INCREDIBLE**

Not able to be believed.

# STEPS ACROSS THE LAKE

Help Jesus walk across the water to his friends in the boat.

**Did You Know?**  
Italian artist and inventor Leonardo Da Vinci actually tried to invent a kind of skis that would let you walk on water. They never did work, though.

**TRY IT AT HOME!**  
Go swimming with your friends! Enjoy the water!
