Pentecost 17

Matthew 20:1-16

The Vineyard Workers

Jesus told another parable about God's reign.

"A man needed workers to pick grapes. He went to the market early in the morning and hired some. He went back to the market again at 9am, noon, 3pm, and 5pm. Each time he hired more workers.

"At the end of the day, he paid all his workers the same. 'That's not fair!' the first workers said. 'We worked longer. We should get more!'

"The man shook his head. 'I paid you what I promised. The workers who came at the end of the day are just as important.'

Jesus' friends thought they understood. They had been with Jesus from the beginning. Some people had only been with Jesus for a short time. God loved all of them equally. God is generous with God's love.
