

Draw & Color

Draw a vineyard the way Jesus describes it in the Bible. He says the man planted a vineyard, put a fence around it, dug a wine press in it (a big hole in the ground for crushing the grapes) and built a watch-tower. Don't forget to draw yourself in the vineyard!

A Vineyard Story

Jesus told a sad story.

"A man had a vineyard, and he hired tenants to take care of it. When the grapes were ripe, he sent his servants to get the fruit for him. But the tenants wanted the grapes for themselves, so they hurt the servants."

The crowd gasped. How horrible!

"The man thought, 'I will send my son. They will respect him.' But the tenants said, 'If we kill the son, we will get to keep the grape field.' So they killed the man's son."

The crowd shook with anger. Who were these terrible people?!

They church leaders knew the story was really about them and how they had not listened to God's messengers in the past, and wanted to kill God's Son, Jesus. Now they were more angry at Jesus than ever!
