

## Draw & Color

In many traditions, people light candles to remember their loved ones who have died. Draw a flame on the candle below, then draw and color in your own candles.

## Everyone Is Blessed

One day, Jesus sat on a mountainside and taught the crowd of people new things about God.

He said, "Happy are the people who are sad, and shy and not bossy. Happy are the people who forgive and help make peace. Happy are the people who get in trouble for doing what God wants them to do."

"Wait. What?" thought the crowds. "We thought only the strong and the rich and the powerful were happy. This is a new way to think!"

Jesus knew what the people were thinking. "Yes," he said. "This is a new way. God's love is for everyone and if you live taking care of one another, you can be happy in God's love. And some day, we will all be together in heaven with God."
