Pentecost 25

Matthew 25:14-30

Grow God's Love

Jesus told the people another story. "A man gave some money to his servants and asked them to take care of it.

Two of the servants used their money to make more money, but one of the servants was afraid to lose the money, so he buried it.

The man was very happy with the two servants who had made extra money for him. But he was angry at the servant who had hidden the money."

The story wasn't about money—that was just something the people could understand. It was really about God's love. God loves us and asks us to share it. When we share God's love and care for others, God's love grows bigger. We can't be afraid to share God's love, and keep it hidden!

Did You Know?
 The amount of money in the story in the Bible is called a "talent." The kind of talent that means something you're good at is completely different. But both kinds of talents make sense in the story!
