Adults-Only Game Night!

The first adult-only game night was a great success. Twenty-five people attended the event that featured a light supper and then a lively evening of games and conversation. Because of this success, a second event has been scheduled for Sunday, February 23, at 3:00 PM. If you are free that afternoon, please consider joining in the fun. All adults from FELC and Zion are welcome to attend. We have people willing to transport friends from FWV or other local locations. Please preregister by calling FELC at 320-839-2927.
