MIRACLES AND PROVISION

I would like to share with all of you, the wonderful things that the Lord has been doing over the last year since this journey of A Light in the Darkness Transitional Living began.

When we met with Peggy last August to draw up a purchase agreement, we had decided on the amount of \$5,000.00 as earnest money that would be due by the end of September. Alicia and I were wondering how we could raise that much money in such a short time. While we were still at the table, a friend of Peggy's came to the house and dropped off a check as a blessing for this new ministry. When we had a moment to look at the check, it was made out for, you guessed it, \$5,000.00! Later in the year, we were in need of a refrigerator to replace and old broken one on the 3rd floor. We couldn't find a used one and didn't have enough money for a new one. When Alicia mentioned this to her aunt, she said, "I have a voucher for a new fridge from insurance that I have for appliances. I don't need it!" We were able to find one from Larry's Refrigeration that was the right price. They even delivered it and removed the old one!

Time after time we have learned the truth of the verse, Philippians 4:19." But my God shall supply all your need according to his riches in glory by Christ Jesus."

Every time someone declines to donate because we are a Christ Centered ministry, the Lord himself steps in through the faithfulness of the people in this community. We are so thankful to God and all of you who are being used by Him. You are reaching out and helping women you don't even know.
